

Cradle-to-Career Governing Board Chair Report

Date Report Issued: July 26, 2023
Attention: Members of Cradle-to-Career Governing Board
Subject: **Invitation for Future Updates from Data Providers**
Contact: Amy Fong, Governing Board Chair

As I depart from my position as the Governing Board (Board) Chair of Cradle-to-Career (C2C), I propose we implement a standing item at each Board meeting, inviting Data Providers to provide updates to fellow Board members and the public. As we step fully into the build phase of the data system, it would be helpful for the Board to establish a routine where Data Providers also share the work they are doing to advance the C2C efforts.

Updates from Data Providers will allow Board members the opportunity to report about all the important work their appointing authority has completed or is underway to advance the data system. It would also illuminate how the State's investments in this work go beyond the work of the Office of Cradle-to-Career Data and include necessary and important effort, expertise, and resources at each of C2C's Partner Data Providers. My hope in providing space and time for these updates is to uplift the work of Data Providers, which will in turn strengthen our collective work.
