Cradle-to-Career Data and Tools Advisory Board Staff Report

Date Report Issued: February 26, 2024
Attention: Members of Data and Tools Advisory Board
Subject: **Context: Data Points in the P20W Data Set**
Staff Contact: Ryan Estrellado, Director of Data Programs

At this meeting, the Data and Tools Advisory Board (DTAB) will hear updates on what data C2C's data providers submitted in October 2023 and what data is planned for the future. The DTAB will also hear an update on what the Cradle-to-Career (C2C) Governing Board discussed about data points at their February 28, 2024 meeting.

There are two relevant resources the DTAB can read as background:

1) The staff memo for the February 28 C2C Governing Board meeting on this topic.
2) The updated summary table of data points by providers, which now indicates which data points have been shared with C2C and which ones are slated for future submissions. (See page 7 of this resource.)
