

Cradle-to-Career Executive Director Review Committee Report

Date Report Issued: March 6, 2024
Attention: Members of Executive Director Review Committee
Subject: **Review of the Executive Director Review Process**
Staff Contact: Marykate Cruz Jones, Chief of Strategic Initiatives and Partnerships

At this meeting, the Executive Director Review Committee (Committee) will have the opportunity to discuss how the newly revised Executive Director review process went and look for any growth opportunities.

Requested Action:

There is no requested action on this item. This is an informational item only.

Background:

There is one relevant resource the Committee can read as background:

- 1) The [staff report](#) from the November 1, 2023 Governing Board meeting on this topic, which includes key components and roles, the timeline and milestones, and survey content, design, and logistics.

In addition, to facilitate the Committee's deliberation and ideation, the Office of Cradle-to-Career Data has compiled key questions for Committee members to consider.

- From this process, what went well?
- From this process, what can we do better?
- Would we like to consider any updates to the survey content, structure, or design?
- Are there broader recommendations that should be made to the Governing Board?
