#### CALIFORNIA CRADLE-TO-CAREER DATA SYSTEM

#### CONFLICT-OF-INTEREST CODE

Title 5. Education
Division 11. Cradle-to-Career Data System
Chapter 1. Conflict of Interest Code

Section 101000 Conflict of Interest Code

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730), that contains the terms of a standard conflict-of-interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act.

Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices designating positions and establishing disclosure requirements, shall constitute the conflict-of interest-code of the California Cradle-to-Career Data System ("C2C").

The Executive Director must file their statement of economic interests electronically with the Fair Political Practices Commission. All other individuals holding designated positions shall file their statements of economic interests with C2C, which will make the statements available for public inspection and reproduction (Government Code Section 81008). All statements will be retained by C2C.

NOTE: Authority cited: Sections 81008, 87300, 87306, Government Code. Reference: Section 87302, Government Code.
