Prompts for May 20, 2025 Community Conversation

❖ "I want to see the race and ethnicity breakdown of first-time college enrollment for students who enrolled in [insert institution types], and how that differs between [district] and the rest of the state."

❖ "I want to see how much [insert student population] students who graduated from [insert district] in [insert year] made after they earned a [insert degree or certificate type]."

❖ "I want to see wage gaps between [compare student populations and/or districts] after they earned a [degree or certificate type], and how this may change over time."
